

Info Session

YOU'RE INVITED

To the Electrical Engineering Connections Info Session

We are proud to announce a new online Ontario-wide bridging program – **Electrical Engineering Connections**.

Delivered in collaboration with Humber College, this program is designed specifically for internationally-trained electrical engineering professionals to help them find employment in the sector.

NEXT COHORT: April 25-June 24, 2022

To learn more about this new program, please register for an upcoming Online Info Session.

Fri., Apr. 15, 2022 10:00 AM - 11:00 AM EST
['Click Here'](#)

Wed., May 4, 2022 10:00 AM - 11:00 AM EST
['Click Here'](#)

For more information, please contact:
Anna Krakovich 905-240 2660Ext.3609
akrakovich@accesemployment.ca

Electrical Engineering Connections includes the following sections:

1. Job search and workplace
2. Access to employers and industry experts
3. Sector-specific technical courses delivered by Humber College, including:
 - *Health and Safety Codes and Standards*
 - *Applications of Measuring Instruments and Ontario Electric Code*
 - *Industrial Automation in Ontario*
 - *Energy Systems and Electrical Equipment in Ontario*
4. Training that will support you to develop creative problem-solving skills to support integration into the team/matrix workplace culture
5. An experiential learning project with support from Humber College that will offer you the chance to apply your skills to a real-world problem
